### A Surprise Speaker

We'll have a surprise speaker for you to listen to. The speaker is booked and ready, but we want to surprise you all. :-). Can you guess who it is?

**Peter Falkenberg Brown**, the GRC Chair, will be giving a short talk titled:

“The Left’s Scorched-Earth War Against Sacred Sexuality.”

## SHAWN MCBREAIRTY

### Our Keynote Speaker

is the Director of Special Projects for the Maine First Project, and has personal experience with the hard-left’s goals to indoctrinate school children. In 2020, his opposition to CRT in Greely High School brought him national attention. He now works to inform parents about Leftist indoctrination in public schools.

### Did You Know?

The Bonny Eagle High School library in Standish has a book on its shelves called “Gender Queer,” “an illustrated book with graphic depictions of minor children engaged in fellatio.”
